

*A gorgeous home in prime location*

San Jose is the third-largest city in California, the tenth-largest in the United States. It is the largest city within Silicon Valley, which is a major component of the greater Bay Area. The employment opportunities are great. There are 2 Caltrain stations, light rail, bus, and private shuttle systems. Bart is coming soon. Beautiful City Hall is located in downtown where people can enjoy fine dining, shopping, museum, libraries.... Santana Row is located in San Jose as well.

This gorgeous home is located in West San Jose/Campbell area. The prime location is so convenient to the good schools, post offices, parks, library, freeways ..... Fine dining and shopping are also nearby; Westgate and Santana Row are some of the great places. This is a 2-story, 5 bedrooms, 2 and one half baths home. Its open floor plan brings in lots of sunlight through those upgraded double-pane windows and sliders. One of the bedrooms downstairs can be an office. Upstairs huge master bedroom has private bath with shower. 2 separate vanities and closets, and a big closet with mirrored doors. The other bedrooms are spacious, too. All upstairs bedrooms are carpeted for comfort. The electric kitchen is located in the middle between dining and family room. The garden window is overlooking the backyard. This bright and cheerful home included copper plumbing, great quality roof, flooring, draperies, custom paint, 2-pane windows / sliders ..... and more. The low-maintenance back yard you can relax and enjoy. It is a great home.
